About

Highly motivated and detail-oriented recent graduate with a Bachelor's degree in Computer Engineering from "Ahmedabad Institute of Technology", eager to apply my knowledge of programming and web development in a dynamic and innovative environment. I have a few knowledge in Python, JavaScript, and React through academic projects and internships, where I successfully developed scalable applications and collaborated with cross-functional teams. Possessing strong analytical skills, a passion for problem-solving, and a commitment to continuous learning, I am excited to contribute to impactful projects and grow as a software developer
